About

Languages: Tamil,English,Telugu

Proficient in both client-side and server-side web development, with expertise in building dynamic and responsive websites and web applications.

Education

SSLC

I did my Secondary School Leaving Certificate in govt Hr.sec school in Vadugam,Rasupuram.

Higher Secondary (MathsComputer)

I did my Secondary School Leaving Certificate in govt Hr.sec school in Vadugam,Rasupuram.

2017-2020

I pursued a two-year program in Computer Science Engineering at Pavai College of Technology, located in Namakkal. Although I was unable to complete my graduation due to unforeseen circumstances, my time at the college provided me with valuable insights into the field of computer science and engineering.I am enthusiastic about applying the knowledge I acquired during my studies to real-world projects and challenges in the field of computer science.

2021-2022 (Web Development)

web development course at CADD Center Chennai, Kudrathur! This accomplishment represents a significant step forward in your journey towards becoming a skilled web developer.

Work Experience

Web Developer & Team Leader

Experienced Web Developer and Team Leader with a successful track record of one year at Teckzy IT Solutions, specializing in the development of websites, admin panels, and REST APIs. Eager to contribute my expertise in web development, leadership, and API design to a forward-thinking organization.
